

Dawid Cholewa

Power BI Developer

QUICK SUMMARY

I am a Power BI Developer with a postgraduate degree in Data Science & Machine Learning, focused on delivering clear and impactful dashboards. My HR and Finance background helps me turn business needs into effective BI solutions using Power BI, Excel, and Databricks. I also use AI to streamline work and focus on meaningful analysis.

UNIVERSITY ACTIVITIES

Krakowskie Stowarzyszenie Mówców Participant in Polish Oxford Debate Championship

2018 - 2019

I made it to the knockout stage of the Polish Oxford Debate Championship, going through many debates on various topics. Working in a team of four during these 9 months, I have learned more about teamwork and developed my cooperation skills.

European Commission Project Participant

2018

I took part in Fighting Gender Inequality through Youth Work - project co-funded by the Erasmus + Programme of the European Union. With representatives from Albania, Greece, Turkey, Poland, Kosovo, Montenegro, Romania and Republic of Macedonia we were working on practical ways to dealing with inequality in our countries.

Parlament Studencki Uniwersytetu Ekonomicznego w Krakowie Chairman of the Culture Department

2018 - 2019

As a member of the Student Government, I had the opportunity to gain experience in the field of team management and project coordination. As part of the culture department, I managed a 20-person team and collaborated with most Cracow theaters.
